## Brothers of Mercy Selected 2018 Best Places to Work Honoree

Brothers of Mercy has been selected as a Buffalo Business First "2018 Best Places to Work" honoree. The 13th annual Best Places to Work luncheon was held on Thursday, March 15, at Buffalo Riverworks. Buffalo Business First hosted the event honoring us and our employees' accomplishments.

Employees were asked to complete a workplace employee engagement survey, which was developed by various leaders in the field of employee engagement.

The survey measures six key engagement categories focusing on communication, employee needs, manager effectiveness, personal engagement, team dynamics and trust in leadership. In order to gather statistically sound results, companies must reach a minimum level of employee participation, based on total number of employees, to be eligible as a finalist.

## CEO's Perspective

By Peter Eimer • Chief Executive Officer • Brothers of Mercy

### The Employees Make Brothers

Probably like many of you, people often tell me how they hear such great things about the Brothers of Mercy.

That's always nice to hear and I usually try to follow up with asking them what they've heard about us. Most times it's about the care a friend or loved one has received. To me, that means it's about the employees and how everyone here takes such pride in what they do.

Over the last few months, the NYS Department of Health has conducted their annual surveys and once again re-affirmed the excellent level of care provided at both Sacred Heart Home and the Skilled Nursing and Rehabilitation Center. Once again, we will be ranked at the very top of care facilities in Western New York.

It definitely is a proud feeling to be part of such an excellent and caring organization. So thank you for all you do – everyday – in caring for all those who come to us for help. The tradition continues!

## The Sales Team

Sheri Fitzner, Mary Baty and Nancy Gugino

Nancy Gugino, Executive Director of the Brothers of Mercy Facilities Foundation, has expanded her role on campus to now include Business Development Director. In addition to overseeing all fundraising campus wide, she now leads a sales team for all four communities. Her team includes Mary Baty and Sheri Fitzner. These ladies will be working to see that the census in all four campus communities is operating at a respectable level. These communities include the Skilled Nursing and Rehab Center, Sacred Heart Home, Montabaur Heights and the Senior Apartments.

In addition to Mary Baty's role on campus as the Senior Apartments Administrator, she will also be handling Outside Sales and Community Outreach. Mary has already started representing the Brothers of Mercy at all Senior Fairs, as well as networking and special events related to senior living and healthcare. Mary also assists with tours on campus when needed.

Sheri Fitzner has been promoted from Concierge at Montabaur Heights to Senior Living Director of Montabaur Heights and the Sacred Heart Home. Sheri's main focus is touring people in these two communities as well as Admissions. She will also be assisting with touring interested parties at the Skilled Nursing and Rehab Center and the Senior Apartments.

The purpose of the newly created team is to meet with all those seeking more information about Senior Living and all the elevations of care that may be needed in the future. According to Nancy, "With this new department, we can ensure that all calls are answered in a timely manner and tours scheduled based on a person's busy schedule. Our team does not view ourselves as sales per se, but more as Senior Living Solutions Experts. We meet with folks daily and hold their hand every step of the way. We also offer resources for virtually every piece of the process. New residents and their families are grateful for all the time we offer them and how we help simplify a very daunting change in life."

## Sheri Fitzner Named Senior Living Director

Sheri Fitzner

Sheri Fitzner has been named the new Senior Living Director at The Brothers of Mercy Wellness Campus. Previously, Sheri worked the concierge desk at the Montabaur Heights Independent Senior Living Community.

She will be responsible for assisting seniors transitioning onto the Brothers of Mercy Campus. From the initial inquiry, to a personalized tour, to move in, Sheri will guide them through the entire application process.

# VOLUNTEER Update

By Valerie Sonnenfeld • Volunteer Coordinator

## Thank You Volunteers!

The Brothers of Mercy Nursing and Rehab Center has a very active and organized volunteer program. Our volunteers are individuals who want to help others. They are retired, concerned citizens, friends, family members, former rehab patients, and college students that are required to learn and gain work experience or high school students completing mandatory community service. We are truly blessed to have over 70 active adult volunteers and 20-25 student volunteers.

The longevity and hours of our volunteers is truly impressive. David Scott has been a volunteer here for over 30 years and Marian McAllister over 27 years. Both are therapy transport volunteers. We also have a lot of volunteers who have been here 10, 15 and 20 years. Our volunteers provide an extra dimension to add to the comfort, care and happiness of our residents and patients. They do everything from therapy transport, activities, spiritual care, gift shop, clerical, friendly visitor dog visits, beauty shop, sewing, sorting and delivering the U.S mail to staff, as well as residents and collecting menus for dietary. Our dedicated volunteers donate an average of over 14,000 hours of service per year.

I believe the Brothers of Mercy’s reputation and the rapport between our volunteers, residents/patients, staff and visitors also has a lot to do with our successful program. As money is not part of the volunteer’s incentive, motivation is achieved in other ways. Encouragement, respect and support from staff members is essential. I have been the volunteer coordinator for The Brothers of Mercy Nursing and Rehab Center for over 28 years and will continue to strive to maintain a fully successful volunteer program.

## VOLUNTEER of the Year

### Warren “Whitey” Hall

Whitey has been an active volunteer for over 14 years. Whitey faithfully comes in every Tuesday and Friday afternoon and transports rehabilitation patients and residents to and from our in-house therapy clinics. He has accumulated over 4500 hours of volunteer service.

Whitey is a very devoted, kind, and caring gentleman. It is our pleasure to honor him with this special award. Congratulations Whitey!

# EMPLOYEE of the Year

## TJ Stockweather – Food Service Supervisor

TJ Stockweather

Calm, collective and hardworking! After 28 years in dietary, TJ knows the kitchen like the back of his hand. He takes pride in his work and it shows. Along with supervising and cooking for the residents, staff and volunteers, TJ looks forward to planning and cooking for our facility functions and does so with pride!

With that great smile, upbeat personality and positive attitude, TJ absolutely was our #1 choice for Employee of the Year. Thank you TJ, you are truly appreciated by all!

## WNY Olympian Anita Alvarez's BOM Connection

If you spend any time at Montabaur Heights, chances are you've probably run into David Alvarez. Working in the maintenance department, David does everything from moving furniture to shoveling snow, from valet parking to fixing a leaking faucet. In other words, he's their "go to" guy when something needs to get done. David always performs those tasks with a smile on his face and takes pride in his workmanship. But nothing comes close to the pride he feels when he talks about his daughter, Anita.

A humble man, David doesn't like to brag about his kids, but I think he has earned the right. You see, Anita is a World Class synchronized swimmer. She was part of the 2016 Olympic US Synchronized Swimming Team that performed in Rio de Janeiro and is on track to compete in the 2020 games in Tokyo. Anita is currently on the FINA-Sanctioned World Series Tour that spans the globe. Her latest competition was in Beijing, China.

"Her mom Karen was a synchronized swimmer, past coach of the Canisius College swim team and current coach of the Town of Tonawanda Aquettes, so Anita has been around the sport all her life. "She started competing when she was only 7 years old" claims David. When Anita was 12, she was watching the 2008 summer games held in Beijing and told her parents "Seeing that you have to be 16 to compete in the Olympics, technically I can compete in the 2012 games in London. Mom and Dad just smiled and said "Yes honey, that's correct".

The road to Anita's Olympic dream wasn't an easy one. Hard work and sacrifice became part of her everyday life. Even though the competition was tough, she made the National Junior Team at 15, and subsequently won the Junior Pan American Games that year. Shortly after that, Anita was invited to audition for the US Olympic team. This required her to make a big decision - if she wanted to commit to the rigorous training schedule needed to be on the team. With 100% support from her parents, Anita moved to the US Olympic training facility in California. Even though she practiced for 7 hours daily, Anita still had online course work to complete (to fulfill her high school requirements).

All the work and sacrifice paid off as Anita was selected to be part of a duet. She was one of two girls in the entire nation to compete in that event. Even though they did not make the medal round, they ranked as the #12 duet in the world and finished in 9th place, jumping 3 spots.

After the Olympics, Anita took some time off, attended a junior college in California and joined the swim team. This was an ideal opportunity to compete and stay in shape for the upcoming 2020 games. Being a modest girl, Anita told her coach about her Olympics experience, but not any of her team mates. After winning her first competition in speed swimming by an astounding 19 seconds, she reluctantly informed her team mates who she was. I'm sure they were blown away.

Right now Anita is training for the 2020 games in Tokyo and at 21 she is a leader and "veteran" of the team. At the time of this interview Anita was competing in the World Games in China. After the 2020 games, Anita is considering a career in nursing or as a physician assistant. I'm sure when they see Olympic athlete on her resume, she won't have a problem landing a job anywhere!

## A Picture Says a Thousand Words

WOW Cards are a simple way residents can say "Thank You" for a job well done. Any time a staff person goes above and beyond the "call of duty", a WOW Card is submitted usually with specific performance comments.

Mary Baty and her "A Team" crew are obviously doing a stellar job based on the number of WOW Cards submitted.

You have a great team Mary! Keep up the good work. We all appreciate it!

## Putting Green at Rehab Clinic

A four hole putting green was recently installed outside the Russell J. Salvatore Outpatient Rehab Clinic at the Brothers of Mercy. This will be used as part of an occupational rehab therapy program. Is a driving range in the future plans? You never know.

## Spring Clean Up 2018 at Montabaur Heights

On Wednesday, May 23rd Montabaur Heights hosted a "Spring Cleanup" day. A total of 18 employee volunteers, some from each of our buildings, pitched in to help make our Campus beautiful! Tasks that day included staining furniture, weeding, planting and mulching many flowerbeds! Flower pots were planted with the help of one of our Montabaur residents!

The team work between all who helped was fantastic and the weather even cooperated! Our CEO, Peter Eimer, was also there in jeans and a hoodie to do his part! Campus Spring cleanup has turned into an annual event that not only improves the appearance of our Campus but, brings staff together in a relaxed and fun, wonderful way. A special thanks going out to Joanne Quartly - who was responsible for coordinating the event. See you all again next year!

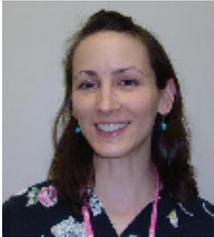

# EMPLOYEES of the Month

All Employees of the Month receive a \$50 check as well as a special parking space for that month.

### TIEAIRA HENDERSON...LPN - March 2018

Tieaira has been an LPN at BOM since 2016! Tieaira goes above and beyond in every aspect of her daily routine! She comes to work with a smile and is ready to face the day with an upbeat attitude. Tieaira makes it her goal to meet the needs of the patients, families and visitors. Families frequently compliment on her care and compassion for their loved ones. She is always ready and willing to assist her co-workers in any way she can. Tieaira is truly a wonderful, caring nurse!

### TIFFANY GREEN...2 EAST RN NURSE, MANAGER/SUPERVISOR - April 2018

Tiffany has been a BOM employee for 10 years. She professionally provides amazing customer service to residents, families and staff which is needed and appreciated.

Before leaving at the end of the day, Tiffany ensures her unit is running smoothly and is maintaining the highest quality of care. Tiffany is most deserving of employee of the month!

### NICK EVERETT...ACTIVITIES AIDE - May 2018

Nick has been a BOM employee since October 2017, and is genuinely polite and respectful. He is very attentive to the needs of the residents. The residents look forward to his company. Nick is not hesitant to learn new things and lend a helping hand wherever needed. He has made a positive impact with our residents as well as the Activities Department. Thank you and congratulations Nick. Keep up the good work!

## Healthy Living for the Brain and Body Seminar

The Alzheimer's Association was recently at Montabaur Heights for their second educational seminar. The topic was "Healthy Living for the Brain and Body."

Prepared with a Multi Media presentation, this seminar was very beneficial to those who attended. Residents walked away gaining knowledge and their questions answered. We look forward to hosting another educational series in the fall.

## Montabaur Heights hosts Annual Picnic Style "Cook Off"

Montabaur Heights Senior community hosted the 2nd Annual Picnic Style "Cook Off". This year they featured a Mac Salad tasting contest. Seven staff members participated and about 30 residents came down to cast their vote.

A small sample of each salad was given out along-side a hot dog. The winner this year was chef Warren Drew! The next tasting contest will feature desserts. The pressure will be on to beat the chefs!

# Compassionate Care Yields Kind Words

We have so many thank you notes, cards and letters that we would need many more pages to print. However here are a number of quotes that collectively summarize those thoughts and kind words.

## ***Dear Hospice Staff***

*“Please accept our gratitude for the help and services that the fine staff of the Hospice unit provided our brother. He entered eternity leaving a loving, helpful compassionate place.”*

## ***To 3 East Staff***

*“We shall always remember with deep gratitude the compassion and care given to our mother. Along with all the kindness given to her family during her last days with us.”*

## ***To the Brothers of Mercy Staff***

*“The outpouring of support and love from so many there will never be forgotten or taken for granted. It takes a special culture to have such deep care and concern for individuals under your watch as well as the respect and concern for their family.”*

## ***Thank You Everybody***

*“Thanks you so much for remembering our mother in the Daily Liturgy of your chaplain and your kind letter of condolence. We know mom had the best care at your facility.”*

## ***To 3 West Staff***

*“The quality of life for my mom is excellent. I have no ideas to offer you on how to improve, because mom’s care team is awesome. So compassionate and respectful.”*

## 2018 WNY Catholic Men's Conference

The Catholic Men's Fellowship of WNY sponsored its 16th Annual Men's Conference "Fight the Good Fight" on Saturday, March 10, 2018 at Cardinal O'Hara High School.

The Brothers of Mercy was in attendance at two information tables at the conference. Director of Marketing Bob Zotara represented the wellness campus, while Brother Ken was there to promote the Brothers of Mercy community and religious vocations.

## Brothers of Mercy featured on AM Buffalo

The Brothers of Mercy was featured on Channel 7's AM Buffalo on Wednesday April 25th.

Business Development Director Nancy Gugino talked about all the exciting things happening on our wellness campus, as well as future plans for the new Assisted Living facility. Host Linda Pellegrino was impressed with all the improvement and new activity happening on campus.

## Brothers of Mercy at Trocaire Spring Job Fair

A Spring Job Fair was hosted by Trocaire College on April 25th. Thomas Farrel, the new Assistant Administrator, met with many Trocaire students pursuing degrees in the medical field, including LPN and RN programs. It was a great opportunity to network with soon-to-be graduates and share all the perks of working at our wonderful 5-star rated facility.

## Mother's Day Pancake Breakfast

The Knights of Columbus sponsored a Mother's Day Pancake Breakfast on Sunday May 13th at the Our Lady of Peace Church Hall.

The breakfast was free with "at will" offerings donated to the Brothers of Mercy foundation. Our genuine appreciation goes out to Brother Ken and the Knights of Columbus for your generosity. It looks like he has that pancake flipping technique down to a science!

We know it may seem early, but mark your calendar for the 2018 Oktoberfest and 5K Race.

Scheduled for Friday, September 7th, this is one of WNY's premier races and post race parties.

This is a family friendly event with our Annual Oktoberfest celebration following immediately.

# Marion's Mission

By Marion Hummell • Administrator • Sacred Heart Home

## Sacred Heart Home is Deficiency Free!

The Sacred Heart Home had its every 18 month NYDOH survey. The survey team entered on April 4<sup>th</sup> - a month before we expected them - and left on the 23rd.

This survey process is particularly challenging as the team members come and go whenever they want and review all departments without any predictable plan. The Sacred Heart Home was deficiency free! A goal all of us have been working toward. Congratulations to every staff member.

Thank you to the residents and families who during the interview quality of life process gave SHH wonderful praises and comments. Way to go BOM SHH team!

## Thank You Connie!

Connie Schmigel has been part of the Sacred Heart Home team for 30 years. She began her career in 1988 as an aide serving our elderly residents. At that time she was a newly married woman and a young mother of 3 girls, 2 of which were twins. Throughout this busy time she remained a dedicated employee often described as caring, easy to work with and reliable. In more recent years, Connie accepted the position as SHH's "one and only" unit clerk. Thank you Connie for being such an important person to the SHH residents, families and staff.

## New Resident Living Room at the Sacred Heart Home

The Grand Opening of the new resident living room at the Sacred Heart Home was held in April. A ceremonial "ribbon cutting" kicked off the official opening of the room.

SHH residents can now relax and be entertained by books on tape, music and CD's of nature sounds, a large flat screen "smart" TV and new leather recliners.

This is a great space for friends and family to visit and the residents absolutely love it!
