Campus Centennial Highlights!

On Thursday, June 20, we hosted our Centennial Celebration and Campus Open House. Our Centennial Time Capsule was encased in the cornerstone of the former Sacred Heart Home and is to be opened in 25 years on June 24, 2049.

The time capsule included a variety of items from this year, including:
Eclipse glasses, Clarence Bee; staff photo, Campus newsletter, Centennial magazine, Clarence Chamber of Commerce magazine, Clarence Historical Society newsletter, Centennial T-shirt, Oktoberfest running shirt, Fit-bit and old staff walkie-talkie

On Friday, June 21, The Brothers of Mercy hosted the Centennial Mass in the Center Chapel at the former Sacred Heart Home.

On Monday, June 24, we officially commemorated the 100th anniversary of our founding. On June 24, 1924, six Brothers from Montabaur, Germany arrived in Buffalo to begin their mission of providing compassionate care to sick & elderly residents. The work on our Wellness Campus continues now into a second century as staff and volunteers are proud to provide high-quality care through skilled nursing & rehabilitation, assisted living & memory care, companion care, outpatient rehab & independent living.

Time Capsule Letter Read by Brother Ken During Ceremony on June 20:

June 24, 2049

Greetings Brothers of Mercy Time Traveler:

On this date, 25 years ago, The Brothers of Mercy Wellness Campus encased this time capsule to commemorate our Centennial in Western New York. Since our humble beginnings on June 24, 1924, The Brothers of Mercy have strived to provide compassionate health care for all, no matter their race, religion or ability to pay.

Inside you will find items from our Centennial that had meaning then and hopefully you will find fascinating on this, our 125th anniversary.

May God continue to bless The Brothers of Mercy, our dedicated staff and all who we have the privilege to serve.

June 20 Campus Open House

Thank you to Ashlie Kohlhagen, Executive Director & Life Enrichment Director at Montabaur Heights, and Lauren Grawe, PT, DPT, Director of Brothers of Mercy Outpatient Therapy Clinic for co-chairing the Campus Centennial Committee throughout the year!

Skilled Nursing & Rehab Center Receives Top Performing Recognition from New York State

On June 18, The Brothers of Mercy was recognized by the New York State Department of Health for its top-performing Skilled Nursing & Rehab Center. The Brothers of Mercy was one of just two skilled nursing facilities in northern Erie County to be honored among 40 across New York State. The recognition placed The Brothers of Mercy in top quintile across the state in each Nursing Home Quality Initiative.

"This recognition for our top-performance illustrates the dedication to high-quality care that our staff and volunteers bring to our patients and residents every day. The Nursing Home Quality Initiative results show the consistency we put forth to maintain our CMS-rated five-star level of care and service to our patients and residents," said Teresa Dillsworth, Administrator of the Skilled Nursing and Rehabilitation Center.

"Our staff is proud to receive this important honor that demonstrates to Western New York families that our Skilled Nursing & Rehab Center upholds the highest standards of care across the region."

June Highlights!

On June 4, the Clarence & Akron Diamond Baton Twirler teams visited to provide an enjoyable performance for residents on the back patio of the Nursing & Rehab Center.

On June 15, we hosted a patriotic greyhound parade! The dogs visited residents at Sacred Heart Home Assisted Living & Memory Care, Montabaur Heights Independent Living Apartments and the Skilled Nursing & Rehab Center.

Rescue to Ribbons! Pistachio was born homeless on the streets of Dallas, Texas. He was scooped up by a local rescue with his siblings and landed in New York, where he was adopted! He loves all of his friends at The Brothers of Mercy and has been completing different training classes, one of them is the Canine Good Citizen training. On test day in June, Pistachio and Mom were nervous, but they passed all 10 tests for the exam. Pistachio's energetic self demonstrated that he is a 100% good boy!

Congratulations to The Brothers of Mercy Wellness Campus team that participated in the Ride for Roswell!

Shari Kersch, RN, Director of Nursing, led the team that rode 20 miles: Dr. Mohamed Ibrahim, Heather Payne (former employee), Jon Lidner, PT, Jesse Scheiffer (former employee), Natalie Shrock, Social Worker and Avery Sywak (Shari's grandson!).

The annual staff picnic was held on June 18 in 90-plus degree heat. Team members came outside to celebrate with a hole-in-one contest and other activities!

July Concert Highlights!

August Highlights!

In mid-August, the second phase of the Sacred Heart Home Memory Care Courtyards enhancement project was completed. The first phase occurred last October when Jeanne Blankenberg, a volunteer at Sacred Heart Home, suggested enhancing the two courtyards for the enjoyment and use by residents.

She mentioned the idea to her husband Greg Stamm, from the Stamm Law firm, who is the Trustee of the Rose A. Krayski Trust. Rose, who passed away in April 2023, was an avid outdoors person who would be thrilled to know the courtyards were improved for residents to enjoy. This project was funded to honor and remember Ms. Rose A. Krayski:

Montabaur Heights Hosts Community Veterans Resource Fair:

On August 13, Montabaur Heights hosted its first free Veterans Resource Fair. There were nine Veterans organizations from across Western New York that gathered in the Event Center, including:

Western New York Veterans Affairs, Health Care Veterans Affairs Caregiver, Veterans Benefits Administration, Alzheimer's Association of Western New York, Suicide Prevention Veterans One-Stop, Western New York National Cemetery, New York State Veteran Service Officer, Veterans Affairs Connected Care, Erie County Veterans Service Agency, Highmark Blue Cross Blue Shield of WNY, Medicare & Medicaid, and Buffalo Veterans Center

On August 28, it was a full house at Montabaur Heights as residents enjoyed a special visit from silver medal-winning U.S. Olympic Swimmer Anita Alvarez, daughter of David Alvarez, Maintenance/Housekeeping Director at Montabaur Heights.

Oktoberfest!

Oktoberfest 2024 was a big success with proceeds benefiting the Brothers of Mercy Campus foundation. More than 300 runners participated in the 5K race on Friday, September 6 with a few hundred more joining them for the after-race party. The rain held off for the race with the massive tent providing shelter from the drizzle later in the evening.

Chef Kyle Higgins and his staff prepared a huge German food feast featuring Bratwurst, German potato salad, sautéed red cabbage and crème puffs. There was plenty of Hoffbrauhaus German beer and Riesling wine.

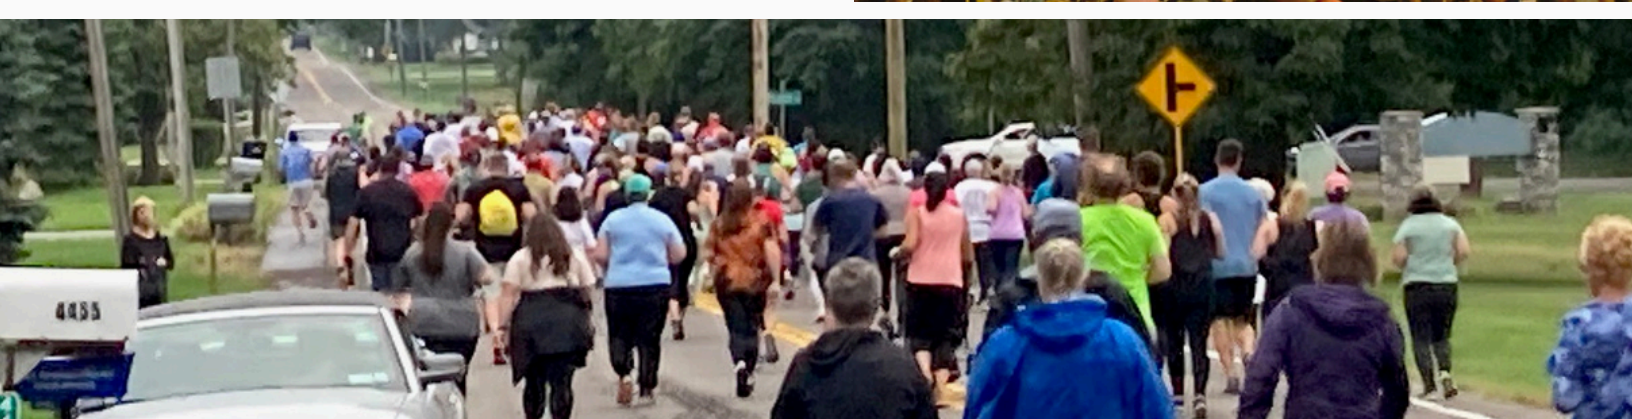

Music was provided by “The Polka Boys” the house band from HofBrauhaus restaurant in Buffalo. There were gift baskets to raffle and a silent auction. The event is one of the major fundraising events benefiting the Campus Foundation each year.

Oktoberfest was sponsored by Picone Construction, ACSI, Clarence Wall & Ceiling, Family Choice of New York, Buffalo Pharmacy, Joe Basil Chevrolet, Culligan Water, Gordon Food Service, Highgate Medical Group, Hoffman Hannafin, Hofbrauhaus Buffalo, Bristol Village, Modern Disposal Services, Reimer, Russell's, Wegmans and The David & Joan Rogers Foundation.

Summer Exhibit at The Art Gallery at Montabaur Heights

‘Masterworks: Watercolors from the Gerald Mead Collection’

On July 29, The Brothers of Mercy welcomed “Masterworks: Watercolors from the Gerald Mead Collection” as its third exhibit of the year at The Art Gallery at the Montabaur Heights independent living community at 4530 Ransom Road.

The Art Gallery is open to the public seven days a week from 11 a.m.-3 p.m. The exhibit runs through September 30. Visitors can also have lunch any day between 11 a.m.-1:15 p.m. in the dining room next to the gallery by calling **716-407-5102** to make a reservation at least 24 hours in advance. Lunch is \$15 per person, payable by cash or check to Montabaur Heights.

Gerald Mead is an award-winning artist, educator, arts writer, collector, curator and leading authority on Western New York art. He serves on committees of several arts organizations and lectures on art and collecting. Since 1987, he has assembled more than 1,800 artworks associated with this region. Thematic exhibits from his collection have been presented at Daemen University, Roswell Park, Albright-Knox Art Gallery, Burchfield Penney Art Center, Castellani Art Museum, University at Buffalo Art Galleries, CEPA Gallery and the University of London.

“Sharing my art collection with the public has been a passion project of mine for more than 20 years, and my hope is that through this exhibition, the residents and visitors at The Brothers of Mercy Wellness Campus will gain a new appreciation for the past and present artists in our region who have expressed their creativity through the medium of watercolor,” said Mead. Mead’s exhibit at Montabaur Heights provides a brief historic and contemporary survey of exceptional watercolor paintings by artists who are associated with Western New York by birth or residency.

The artworks range from an early 20th century watercolor by Raphael Beck, a Lockport artist who designed the seal for the Pan-American Exposition held in Buffalo in 1901, to a recent painting by Kathleen Giles, an award-winning member of multiple national watercolor societies.

The exhibit also includes works by noted artist Charles Burchfield’s daughters, Catherine Parker and Martha Richter; Tony Urquhart, who was awarded the prestigious Order of Canada; noted art educators Walter Garver and Russell Ram, and emerging young artist Alicia Malik.

The Art Gallery is part of a “Wellness Through Art” on The Brothers of Mercy Wellness Campus. The goal of the program is to encourage residents to continue thriving by remaining active in the different forms of art they enjoy creating or viewing. Activities that can enhance quality of life for residents include artist presentations, demonstrations and trips to other art galleries.

Russell J. Salvatore Health Center to Open in November

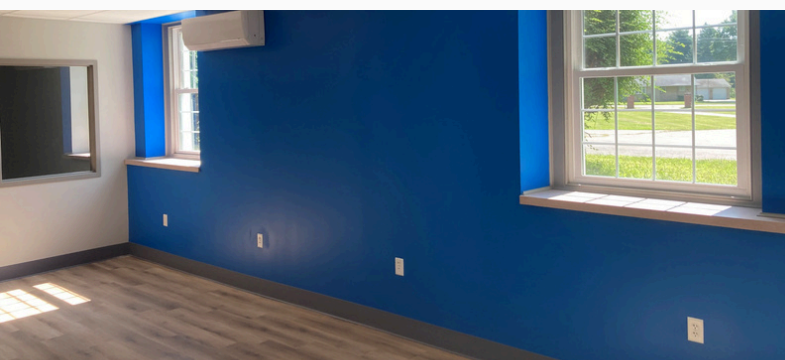

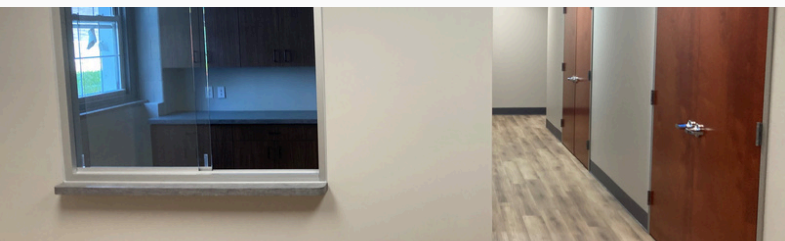

The Brothers of Mercy Wellness Campus is pleased to announce the upcoming opening of the Russell J. Salvatore Health Center in the north wing of the former Sacred Heart Home.

This new 5,800-square-foot health center is schedule to open in November and will serve Campus residents, employees and volunteers as well as the greater surrounding community. New health care tenants have moved in to provide a variety of services, including Dr. John V. Akiki's chiropractic office, mental health counseling services from Alicia Kohlhagen, LCSW-R, PMH-C, and the University at Buffalo Aging & Resiliency Research Center.

"We designed the Russell J. Salvatore Health Center as a complementary, collaborative facility that will provide additional outpatient health services and enrichment programs to residents and the greater community in which we serve," said Peter Eimer, Chief Executive Officer of The Brothers of Mercy. "With this new space, we will continue to welcome additional health care providers to be a part of the continued growth of the Campus as work together with our partners to preserve quality of life and address emerging health needs of the community."

The Russell J. Salvatore Health Center features energy-efficient LED lighting and a high-efficiency heating and cooling system for all tenants. This facility became an opportunity when the new Sacred Heart Home Assisted Living & Memory Care Community opened on the Wellness Campus in December 2020.

It was named the Russell Salvatore Center in recognition of a \$300,000 gift from the philanthropist and restaurateur. Additional funding came from The Mother Cabrini Health Foundation, James H. Cummings Foundation, The Margaret L. Wendt Foundation and the Daniel C. & Beatrice M. Fisher Fund (Community Foundation for Greater Buffalo).
